

TRA5005 Bridge Tow Bar Assembly

Knight Global's TRA5005 Bridge Tow Bar Assemblies are used in conjunction with Knight's TRA5500 Series Air Tractor. The TRA5005 Tow Bar Assembly allows for Knight Air Tractors to tow the overhead rail bridges without causing the bridges to skew.

Knight's TRA5005-6110 runs in RAD6110 Series Rail and Knight's TRA5005-7510 runs in RAD7510 Series Rail.

TRA5005-6110

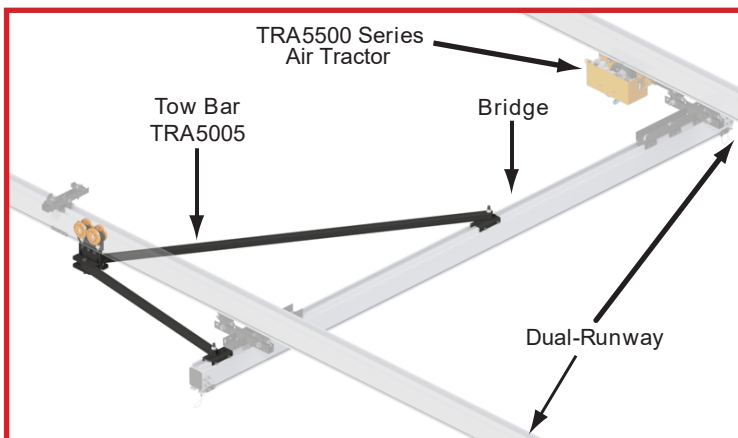

TRA5005-7510

MAX. TOWING CAPACITY: 3,000 lbs [1,360kg].
